

PRIVATE HEALTHCARE

Services & Pricing 2026

Private GP, imaging, blood screening, pathology and more — quality care, clear prices, every result reviewed by a GP.

What's inside

1

£25 GP pre-test call

A 10-minute call with a GMC-registered GP comes first for most tests & scans. The £25 is deducted from your balance.

2

Your test or scan

Bloods, imaging, screens or kits — at our Bamber Bridge clinic, by mobile phlebotomy, or posted to your door.

3

GP-reviewed results

Results are reviewed by a GP and shared securely, with written comments and a follow-up where needed.

Booked directly (no pre-test call needed): GP telephone, video & in-person consultations, and all Health MOTs.

Good to know

How we work, and how to reach us

All prices are the amount you pay — our medical services and diagnostics are VAT-exempt, so no VAT is added.

Prescriptions, sick notes & referral letters	£20 each
MRI contrast (where clinically indicated)	+£150
Reserve a scan Deposit deducted from your balance, or pay in full online	£25 deposit
Blood draw (phlebotomy) 10-minute appointment for any ordered test	by appointment

Please note: “from” indicates the lowest price in a category; the exact fee depends on the area or panel chosen and is confirmed at booking. Screening tests are not diagnostic, and results are always interpreted by a GP. New or red-flag symptoms should be seen by a GP. Imaging is reported by consultant radiologists; lab analysis is carried out by a UKAS/ISO 15189-accredited laboratory.
